Nothing in this Franchise shall be construed to prohibit Franchisee from offering any service over its Cable System that is not prohibited by Federal or State law.

(b) This Renewal Franchise is granted under and in compliance with the Cable Act and RSA 53-C of the Laws of New Hampshire, and in compliance with all rules and regulations of the FCC and other applicable rules and regulations in force and effect during the period for which this Renewal Franchise is granted.

(c) Subject to the terms and conditions herein, the Franchising Authority hereby grants to Franchisee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY

The term of this non-exclusive Renewal Franchise shall be for a period of five (5) years and shall commence on July 17, 2009, following the expiration of the current Franchise, and shall expire at midnight on July 16, 2014.

SECTION 2.3 – RENEWAL OF FRANCHISE

The renewal of this Franchise shall be governed by applicable Federal law and regulations promulgated there under and by applicable New Hampshire law.

SECTION 2.4 – NON-EXCLUSIVITY OF FRANCHISE

(a) Franchisee acknowledges and agrees that the Franchising Authority reserves the right to grant one or more additional Franchises to other Cable Service providers within the Town for the right to use and occupy the Public Ways or streets within the Franchising Authority's jurisdiction; provided, however, that in accordance with RSA 53-C:3-b no such Franchise agreement shall contain terms or conditions more favorable or less burdensome than those in any existing Franchise within the Town.

(b) In the event that the Franchisee believes that any additional Franchise has been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal Franchise, the Franchisee may so notify the Franchising Authority in writing and may request that the Franchising Authority convene a hearing on such issue. Along with said written request, the Franchisee shall provide the Franchising Authority with written reasons for its belief. At said hearing, the Franchisee shall have an opportunity to demonstrate that any such additional Franchise is on terms more favorable or less burdensome than those contained in this Renewal Franchise. The Franchisee shall provide the Franchising Authority with such financial or other relevant information as is requested.

(c) Should the Franchisee demonstrate that any such additional Franchise has been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal Franchise, the Franchising Authority shall consider and negotiate, in good faith, equitable amendments to this Renewal Franchise within a reasonable time.

(d) In the event that Franchisee demonstrates that an existing or future Cable Service provider in the Town has been provided relief by the Franchising Authority from any obligation of its Franchise, then Franchisee shall be awarded an equivalent amount of relief from obligations herein. Such relief shall be in writing and in the form of an amendment to this Franchise. The Franchising Authority shall convene a public hearing on the issue within sixty (60) days of Franchisee's notification to the Franchising Authority requiring such relief, unless otherwise mutually agreed to. Franchisee shall provide reasons for its belief in the notification. At the

public hearing, the Franchising Authority shall afford Franchisee an opportunity to demonstrate that any existing or future service providers in the Town have been provided relief by the Franchising Authority from any obligation of its cable television Franchise. Franchisee shall provide the Franchising Authority with such financial or other relevant information as is requested to justify its belief.

Accordingly, this is a material term of the Franchise and failure to pay duly and properly assessed personal and real property taxes when due shall be cause for Franchising Authority to provide a written notice to Franchisee, pursuant to the provisions of Section 9.8, to show cause by a date certain specified in the notice as to why this Franchise should not be revoked pursuant to Section 9.7 of the Franchise. To the extent applicable law provides authority for the Franchising Authority to assess taxes on Franchisee, pursuant to RSA 72:23, I(b), 72:8-a, 73:10 and/or 48-B:4 or otherwise, the Franchising Authority shall be authorized to impose such taxes and Franchisee shall be obligated to pay such properly assessed taxes. However, Franchisee reserves all rights to appeal any assessment of personal or real property taxes. Further, the parties acknowledge that there is a dispute between the parties concerning the applicability of RSA 72:23 to the Cable System. The parties agree to abide by any final decision made by a court of competent jurisdiction, after all appeals by either party have been exhausted.

c) Nothing in this Franchise shall be deemed a waiver or relinquishment of any rights, defenses or claims that Franchisee may have with respect to the application of any law referenced in this Section 2.6 to Franchisee's services or the operation of its Cable System. Franchisee shall have the right to pass through to Subscribers and to itemize separately on Subscribers' monthly bills any tax imposed on Franchisee by the Franchising Authority.

d) If at any time during the term of this Renewal Franchise Agreement, Franchisee is obligated to pay a Franchise Fee to the Town equal to a percentage of Franchisee's Gross Annual

Revenue, pursuant to Section 9.4 of this Agreement, and, if any tax assessment is imposed and Franchisee is correspondingly obligated to pay taxes as provided in subsection (b) above, but not including any taxes assessed on pole owners other than Franchisee and included in any pole attachment fee charged to Franchisee by the pole owner, and if the combined amount of assessed taxes and the Franchise Fee owed exceeds five percent (5%) of Franchisee's Gross Annual Revenue, then Franchisee shall be entitled to a credit, applied to the Franchise Fee, as described in subsection (e) below.

e) The amount of the credit pursuant to subsection (d) above shall be equal to the lesser of (1) the Franchise Fee owed or (2) the amount that the Franchise Fee owed and the taxes paid as provided in subsection (b) above, combined, exceeds five percent (5%) of Franchisee's Gross Annual Revenue.

SECTION 2.7 – POLICE AND REGULATORY POWERS

Franchisee's rights are subject to the powers of the Town of Kensington to adopt and enforce general ordinances necessary for the safety and welfare of the public, provided that such ordinances are of general applicability and not specific to the Cable System, the Franchisee, or this Franchise; and to adopt and enforce ordinances and regulations pertaining to cable rates and Cable Services but only to the extent authorized or allowed by State law, Federal law and regulations of the FCC. (c) Provided Franchisee has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trenching, or of the installation of conduit for the location of utilities, it shall install its cable in such trenching or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. If a substantial quantity of cable is required for a large subdivision and said quantity is not in stock, Franchisee shall be allowed additional time for said installation. The Franchising Authority, or its designee, shall exercise reasonable efforts to have the Planning Board and developers give timely written notice of trenching and underground construction to Franchisee. Developer shall be responsible for the digging and back-filling of all trenches.

Upon failure of the Franchisee to comply within the time specified (unless the Franchising Authority sets an extended time period for such restoration and repairs) or if such damage presents an emergency situation presenting a threat to public safety, the Franchising Authority may cause proper restoration and repairs to be made and the reasonable expense of such work shall be paid by the Franchisee upon demand by the Franchising Authority.

(c) Failure to Repair: In addition, upon the failure, refusal or neglect of Franchisee to cause any work or other act required by law or by this Renewal Franchise to be properly completed in any Public Way within any time prescribed, the Franchising Authority may cause such work or other act to be performed or completed in whole or in part, and prior to so doing shall submit to Franchisee in advance an itemized estimate of the cost thereof. Franchisee shall, within thirty (30) days after receipt of a statement of the actual cost incurred, pay to the Franchising Authority the

entire amount thereof. The Franchising Authority, at its option, subject to the provisions of Section 9.8 herein, and in its sole discretion, may draw upon the bond described herein to recover any cost incurred pursuant to this section, should Franchisee fail to pay such costs within thirty (30) days of receipt of the statement of those costs.

(d) Repairs to Private Property: The Franchisee shall be subject to all laws of general applicability regarding private property in the course of constructing, installing, operating and maintaining the Cable System in the Town. PEG ACCESS CHANNEL(S)

SECTION 6.1 - PEG ACCESS CHANNEL(S)

(a) At the request of at least three (3) of the towns comprising School Administrative Unit 16 ("SAU 16"), including this Franchising Authority, Franchisee shall provide an Educational Access Channel to be shared by the schools in SAU 16, fed off the same head end, as they may determine. Franchisee shall activate one (1) channel for this Educational Access Channel to be used for public video programming provided by the schools in SAU 16 or their designee, within ninety (90) days of a request in writing from each of at least three (3) of the towns comprising SAU 16, including this Franchising Authority.

(b) Franchisee will continue to provide the Exeter Access Channel to the Town of Kensington. At the option of the Franchising Authority, on or after the second anniversary of the Effective Date, by vote of the Board of Selectmen for the Town at a public meeting, the Franchising Authority may request in writing and Franchisee shall provide within ninety (90) days of that request, capacity on one (1) channel for a Public, Educational, and Governmental (PEG) Access Channel to be used for public video programming provided by the Franchising Authority or its designee, educational access video programming provided by the Franchising Authority or designated educational institution, and governmental video programming provided by the Franchising Authority. A Public, Educational and Governmental Access Channel may not be used to cablecast programs for profit, political or commercial fundraising in any fashion.

(c) Use of channel capacity for PEG Access Programming shall be provided in accordance with Federal law, 47 U.S.C. 531, and as further set forth below. Franchisee does not relinquish its ownership of or ultimate right of control over a channel by designating it for PEG use. A PEG access user – whether an individual, educational or governmental user – acquires no property or other interest by virtue of the use of a channel so designated, and may not rely on the continued use of a particular channel number, no matter how long the same channel may have

been designated for such use. Franchisee shall not exercise editorial control over any public, educational, or governmental use of channel capacity, except Franchisee may refuse to transmit any public access program or portion of a public access program that contains obscenity, indecency, or nudity pursuant to Section 611 of the Cable Act. The Franchising Authority shall be responsible for developing, implementing, interpreting and enforcing rules for PEG Access Channel use which shall insure that PEG Access Channel and PEG Access equipment will be available on a first-come non-discriminatory basis.

(d) The Franchisee shall not move or otherwise relocate the channel location of the PEG Access Channel or the Educational Access Channel, once established, without thirty (30) days' advance, written notice to the Franchising Authority. The Franchisee shall use its best efforts, in good faith, to minimize any PEG Access Channel relocation.

(e) The Franchisee shall continue to make PEG Access Programming available to all Subscribers.

SECTION 6.2 - PEG ACCESS CABLECASTING

(a) In order that PEG Access Programming and shared SAU 16 educational programming can be cablecast over Franchisee's downstream PEG Access Channels, including the shared SAU 16 educational channel, if elected, all PEG Access Programming shall be modulated, then transmitted from origination locations designated by the Franchising Authority to the Franchisee-owned head end or hub-site on a Franchisee-owned upstream channel made available, without charge, to the Town for its use. At the Franchisee-owned head end, said PEG Access Programming and shared SAU 16 educational programming shall be retransmitted in the downstream direction on the Franchisee-owned Subscriber Network downstream PEG Access Channels and shared SAU 16 educational channel.

(b) The Franchisee shall provide and maintain all necessary switching and/or processing equipment located at its hub-site or head end in order to switch upstream Signals carrying PEG Access Programming and shared SAU 16 educational programming from the locations designated

(c) The Franchisee shall own, maintain, repair and/or replace any Franchisee-owned head end or hub-site audio or video Signal processing equipment. If the Town exercises its options in Section 6.1 (a) and/or (b), and if it requests Franchisee to construct a video return line to enable the Town to do live origination programming from the Town for either the Town's own PEG channel or for the SAU 16 shared educational channel, Franchisee shall provide an estimate of the cost. In years one or two of the Franchise Agreement, upon direction from the Town, Franchisee shall construct such a return line, which cost shall be a franchise-related cost, pursuant to Section 6.5. In years three through five of the Franchise Agreement, after providing the estimate to the Town and receiving direction from the Town, Franchisee shall construct such a return line, which shall be paid for by the Town. The Town and/or PEG access provider or designee shall own, maintain, repair and/or replace studio or portable modulators and demodulators. The demarcation point between the Franchisee's equipment and the Town's, its designee or PEG access provider's equipment shall be at the output of the Town's, its designee's and/or the PEG access provider's modulator(s) at any of the origination locations designated by the Franchising Authority for the PEG Access Channel and/or the SAU 16 shared educational channel.

(d) The Franchisee shall maintain the PEG Access Channels and the SAU 16 shared educational channel, and shall monitor them for technical Signal quality and shall ensure that they are maintained at standards commensurate with those that apply to the Cable System's commercial channels pursuant to FCC technical standards. The Franchising Authority or its designee shall be responsible for the picture quality of all PEG Access Programming and shared SAU 16 educational programming at the demarcation point(s), which shall be the output of the modulator. To provide for adequate picture quality, the Franchising Authority's video Signal shall meet NTSC standards and/or the minimum operating input parameters of the modulators.

SECTION 6.3 - PROGRAMMING EXCLUSIVITY AND NON-COMPETITION

The Franchising Authority, or its designee, agrees that it will not use its designated PEG Access Channels, equipment, or other facilities to provide for-profit commercial services which have the effect of competing with the Franchisee's business. In addition, any Video Programming cablecast under the provisions of this Article 6 shall not be commercially distributed to a competing Multichannel Video Programming Distributor without the written consent of the Franchisee.

SECTION 6.4 – INTERCONNECTION WITH COMPETING CABLE FRANCHISEE

In the event a franchise is issued by the Franchising Authority for a competing franchise and such competing franchisee desires to cablecast the PEG access programming originating from a PEG access studio as provided in Section 6.1, the parties agree that the competing franchisee shall maintain its own upstream video return link from the studio location as set forth in paragraph 6.1(c). If PEG Access Programming is originating from Franchisee's hub rather than a studio location as contemplated by Subsection 6.1(c), Franchisee shall make the programming on the PEG Access Channel available to the holder of the additional franchise for cable casting over its Cable System in the Town upon execution of an interconnection agreement between Franchisee and the holder of the additional franchise. If a competing provider provides PEG access in the Town, Franchising Authority will seek a similar and reciprocal requirement in the competitor's franchise agreement.

SECTION 6.5 – FRANCHISE RELATED COST

The Franchising Authority acknowledges that under the Cable Act, certain costs, including but not limited to costs of Public, Educational and Governmental ("PEG") Access, the cost to construct video return lines, from video origination sites, the cost to activate a PEG channel and the cost of other franchise requirements, may be passed through to the Subscribers in accordance with Federal law.

A transfer or assignment of a franchise or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of a franchise or control thereof. An "affiliated company" is any Person or entity that directly or indirectly or through one or more intermediaries, controls, is controlled by, or is under common control with another Person or entity. Within thirty (30) days of receiving a request for consent, the Franchising Authority shall, in accordance with FCC rules and regulations, notify Franchisee in writing of the additional information, if any, it requires to determine the legal, financial, and technical qualifications of the transferee or new controlling party. If the Franchising Authority has not taken action on Franchisee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

SECTION 9.10 - REMOVAL OF SYSTEM

Upon termination of this Franchise Renewal or of any renewal hereof by passage of time or otherwise, Franchisee shall, upon the Town's request, remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed within six (6) months of such termination, the Franchising Authority may, at its sole option, (1) deem any property not removed as having been abandoned, or (2) at Franchisee's expense remove or cause to be removed any components of the Cable System and restore the areas to their original condition.

SECTION 9.11 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of Federal, State and local laws, including but not limited to the rules and regulations of the FCC and the State of New Hampshire, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended,

shall control the interpretation and performance of this Renewal Franchise to the extent that any provision of this Renewal Franchise conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the State of New Hampshire, the Federal government or the FCC require Franchisee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Franchising Authority and Franchisee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

Nothing in this Renewal Franchise is intended to confer third-party beneficiary status on any member of the public to enforce the terms of this Renewal Franchise.

CUSTOMER SERVICE REGULATIONS

Code of Federal Regulations 47 CFR §76.309

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (c) of this section against cable operators. The franchise authority must provide affected cable operators ninety (90) days written notice of its intent to enforce the standards.

(b) Nothing in this rule should be construed to prevent or prohibit:

(1) A franchising authority and a cable operator from agreeing to customer service requirements that exceed the standards set forth in paragraph (c) of this section;

(2) A franchising authority from enforcing, through the end of the franchise term, pre-existing customer service requirements that exceed the standards set forth in paragraph (c) of this section and are contained in current franchise agreements;

(3) Any State or any franchising authority from enacting or enforcing any consumer protection law, to the extent not specifically preempted herein; or

(4) The establishment or enforcement of any State or municipal law or regulation concerning customer service that imposes customer service requirements that exceed, or address matters not addressed by the standards set forth in paragraph (c) of this section.

(c) Effective July 1, 1993, a cable operator shall be subject to the following customer service standards:

(1) Cable system office hours and telephone availability--

(i) The cable operator will maintain a local, toll-free or collect call telephone access line which will be available to its subscribers 24 hours a day, seven days a week.

(A) Trained company representatives will be available to respond to customer telephone inquiries during normal business hours.

(B) After normal business hours, the access line may be answered by a service or an automated response system, including an answering machine. Inquiries received after normal business hours must be responded to by a trained company representative on the next business day.

(ii) Under normal operating conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety (90) percent of the time under normal operating conditions, measured on a quarterly basis.

(iii) The operator will not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards above unless an historical record of complaints indicates a clear failure to comply.

(iv) Under normal operating conditions, the customer will receive a busy signal less than three (3) percent of the time.

(v) Customer service center and bill payment locations will be open at least during normal business hours and will be conveniently located.

(2) Installations, outages and service calls. Under normal operating conditions, each of the following four standards will be met no less than ninety-five (95) percent of the time measured on a quarterly basis:

(i) Standard installations will be performed within seven (7) business days after an order has been placed. "Standard" installations are those that are located up to 125 feet from the existing distribution system.

(ii) Excluding conditions beyond the control of the operator, the cable operator will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption becomes Known. The cable operator must begin actions to correct other service problems the next business day after notification of the service problem.

(iii) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at maximum, a four-hour time block during normal business hours. (The operator may schedule service calls and other installation activities outside of normal business hours for the express convenience of the customer.)

(iv) An operator may not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment.

(v) If a cable operator representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time that is convenient for the customer.

(3) Communications between cable operators and cable subscribers--

(i) Refunds--Refund checks will be issued promptly, but no later than either--

(A) The customer's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier, or

(B) The return of the equipment supplied by the cable operator if service is terminated.

(ii) Credits--Credits for service will be issued no later than the customer's next billing cycle following the determination that a credit is warranted.

(4) Definitions--

(i) Normal business hours--The term "normal business hours" means those hours during which most similar businesses in the community are open to serve customers. In all cases, "normal business hours" must include some evening hours at least one night per week and/or some weekend hours.

(ii) Normal operating conditions--The term "normal operating conditions" means those service conditions which are within the control of the cable operator. Those conditions which are not within the control of the cable operator include, but are not limited to, natural disasters, civil disturbances, power outages, telephone network outages, and severe or unusual weather conditions. Those conditions which are ordinarily within the control of the cable operator include, but are not limited to, special promotions, pay-per-view events, rate increases, regular peak or seasonal demand periods, and maintenance or upgrade of the cable system.

(iii) Service interruption--The term "service interruption" means the loss of picture or sound on one or more cable channels.

Regulations Re: Notifications

Sec. 76.1602 Customer service--general information.

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (b) of this section against cable operators. The franchise authority must provide affected cable operators 90 days written notice of its intent to enforce standards.

(b) Effective July 1, 1993, the cable operator shall provide written information on each of the following areas at the time of installation of service, at least annually to all subscribers, and at any time upon request:

- (1) Products and services offered;
- (2) Prices and options for programming services and conditions of subscription to programming and other services;
- (3) Installation and service maintenance policies;
- (4) Instructions on how to use the cable service;
- (5) Channel positions of programming carried on the system; and
- (6) Billing and complaint procedures, including the address and telephone number of the local franchise authority's cable office.

(c) Subscribers shall be advised of the procedures for resolution of complaints about the quality of the television signal delivered by the cable system operator, including the address of the responsible officer of the local franchising authority.

Sec. 76.1603 Customer service--rate and service changes.

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (b) of this section against cable operators. The franchise authority must provide affected cable operators 90 days written notice of its intent to enforce standards.

(b) Customers will be notified of any changes in rates, programming services or channel positions as soon as possible in writing. Notice must be given to subscribers a minimum of thirty (30) days in advance of such changes if the change is within the control of the cable operator. In addition, the cable operator shall notify subscribers 30 days in advance of any significant changes in the other information required by Sec. 76.1602.

(c) In addition to the requirement of paragraph (b) of this section regarding advance notification to customers of any changes in rates, programming services or channel positions, cable systems shall give 30 days written notice to both subscribers and local franchising authorities before implementing any rate or service change. Such notice shall state the precise amount of any rate change and briefly explain in readily understandable fashion the cause of the rate change (e.g., inflation, change in external costs or the addition/deletion of channels). When the change involves the addition or deletion of channels, each channel added or deleted must be separately identified. For purposes of the carriage of digital broadcast signals, the operator need only identify for subscribers, the television signal added and not whether that signal may be multiplexed during certain dayparts.

(d) A cable operator shall provide written notice to a subscriber of any increase in the price to be charged for the basic service tier or associated equipment at least 30 days before any proposed increase is effective. The notice should include the name and address of the local franchising authority.

(e) To the extent the operator is required to provide notice of service and rate changes to subscribers, the operator may provide such notice using any reasonable written means at its sole discretion.

(f) Notwithstanding any other provision of part 76 of this chapter, a cable operator shall not be required to provide prior notice of any rate change that is the result of a regulatory fee, franchise fee, or any other fee, tax, assessment, or charge of any kind imposed by any Federal agency, State, or franchising authority on the transaction between the operator and the subscriber.

Note 1 to Sec. 76.1603: Section 624(h) of the Communications Act, 47 U.S.C. 544(h), contains additional notification requirements which a franchising authority may enforce.

Note 2 to Sec. 76.1603: Section 624(d)(3) of the Communications Act, 47 U.S.C. 544(d)(3), contains additional notification provisions pertaining to cable operators who offer a premium channel without charge to cable subscribers who do not subscribe to such premium channel.

Note 3 to Sec. 76.1603: Section 631 of the Communications Act, 47 U.S.C. 551, contains additional notification requirements pertaining to the protection of subscriber privacy.

Sec. 76.1619 Information on subscriber bills.

(a) Effective July 1, 1993, bills must be clear, concise and understandable. Bills must be fully itemized, with itemizations including, but not limited to, basic and premium service charges and equipment charges. Bills will also clearly delineate all activity during the billing period, including optional charges, rebates and credits.

(b) In case of a billing dispute, the cable operator must respond to a written complaint from a subscriber within 30 days.

(c) A cable franchise authority may enforce the customer service standards set forth in this section against cable operators. The franchise authority must provide affected cable operators 90 days written notice of its intent to enforce standards.
