

DIRECTORY OF NEW HAMPSHIRE LIBRARIES 2012

PREFACE

The *Directory of New Hampshire Libraries* is compiled by the N.H. State Library and is revised and published twice yearly via the web (www.nh.gov/nhsl/) to reflect changes in libraries throughout New Hampshire with updates sent to libraries requesting them.

Information concerning the State Library is located at the beginning of the Directory. Arranged geographically, the entries are alphabetized by town/city and then by the Library, school, or institution name. Population figures for town/cities/counties were taken from the *2010 Population Estimates of New Hampshire Cities & Towns*, prepared by the New Hampshire Office of Energy and Planning, published March 2011.

Entries include the name and address of the library, hours open, and key personnel. In addition, the entries for the majority of libraries provide information on some or all of these additional areas: Barrier-Free Accessibility, Area Library Forum, regional system, cooperative name, HSA Code, Depository Library Status, Delivery Service Information, Total Volumes, Web Page Information, E-mail Address, Grades of School, Audiovisual loans, Facebook, and Twitter.

Library Organizations are listed next, followed by Reference Guides, including a list of depository libraries, HSA Codes by code and followed by the HSA Codes by Library name. A listing of van routes may be found at www.nh.gov/nhsl/services/librarians/van_delivery/. Completing the directory is an alphabetical index of all libraries and personnel, with cross-references as needed.

Information within each library entry is generally provided by the staff of each library. Every library is encouraged to notify the N.H. State Library of any needed changes in its entry. Please write to N.H. State Library, Attn Darlene Reinhard, 20 Park Street, Concord, N.H. 03301-6314. You may call (603) 271-2392, fax (603) 271-6826, or e-mail darlene.reinhard@dcr.nh.gov. Your cooperation is appreciated.

DISCLAIMER

The information contained in this directory was compiled from directory information sheets submitted by public, school, academic, government, and special libraries to the State Library after town / city meetings or Town Elections for public libraries by May 2012 / September 2012 for schools, or as changes may occur.
