Nothing in this Franchise shall be construed to prohibit Franchisee from offering any service over its Cable System that is not prohibited by federal or state law.

(b) This Renewal Franchise is granted under and in compliance with the Cable Act and RSA 53-C of the Laws of New Hampshire, and in compliance with all rules and regulations of the FCC and other applicable rules and regulations in force and effect during the period for which this Renewal Franchise is granted.

(c) Subject to the terms and conditions herein, the Franchising Authority hereby grants to Franchisee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY

The term of this non-exclusive Renewal Franchise shall be for a period of five (5) years and shall commence on July 28, 2010 following the expiration of the current Franchise, and shall expire at midnight on July 27, 2015.

SECTION 2.3 – RENEWAL OF FRANCHISE

The renewal of this Franchise shall be governed by applicable federal law and regulations promulgated hereunder and by applicable New Hampshire law.

SECTION 2.4 – NON-EXCLUSIVITY OF FRANCHISE

(a) Franchisee acknowledges and agrees that the Franchising Authority reserves the right to grant one or more additional Franchises to other Cable Service providers within the Town for the right to use and occupy the Public Ways or streets within the Franchising Authority's jurisdiction; provided, however, that in accordance with RSA 53-C:3-b no such Franchise agreement shall contain terms or conditions more favorable or less burdensome than those in any existing Franchise within the Town.

(b) In the event that the Franchisee believes that any additional Franchise has been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal Franchise, the Franchisee may so notify the Franchising Authority in writing and may request that the Franchising Authority convene a hearing on such issue. Along with said written request, the Franchisee shall provide the Franchising Authority with written reasons for its belief. At said hearing, the Franchisee shall have an opportunity to demonstrate that any such additional Franchise is on terms more favorable or less burdensome than those contained in this Renewal Franchise. The Franchisee shall provide the Franchising Authority with such financial or other relevant information as is requested.

(c) Should the Franchisee demonstrate that any such additional Franchise has been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal Franchise, the Franchising Authority shall amend this Renewal Franchise within a reasonable time.

Any conflict between the terms of this Renewal Franchise and any present or future exercise of the municipality's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

By virtue of this Franchise the Franchising Authority grants Franchisee equal standing with power and telephone utilities in the manner of placement of facilities on Public Ways, subject to the lawful exercise of the authority of the Town to approve the location of all installations in the Public Ways, and subject to the Town's lawful use of the Public Ways.

Franchisee shall make service available to multiple dwelling units (MDU) where economically feasible and providing that Franchisee is able to obtain from the property owners any necessary easements, permits and agreements to provide service to said MDU. Subject to the density requirement, Franchisee shall offer Cable Service to all new homes or previously un-served homes located within two hundred feet (200') of Franchisee's Distribution Cable. For non-Standard Installations Franchisee shall offer said service within ninety (90) days of a Subscriber requesting such for aerial installations and one hundred eighty (180) days, weather permitting, of a Subscriber requesting such for underground installations. With respect to areas of the Town which are currently served by Franchisee from a contiguous cable television system or currently un-served but could be served by abutting Town(s)/city(s) served by Franchisee, Franchisee shall have the option to serve such areas from its cable television system in such abutting Town.
- (b) Installation costs shall conform to the Cable Act. Any dwelling unit within an aerial two hundred feet (200 ft.) of the Trunk and Distribution Cable shall be entitled to a Standard

Installation rate in accordance with applicable federal and state laws. Underground installs are considered non-standard installations. All non-standard installations shall be provided at a rate established by the Franchisee in accordance with applicable federal and state laws.

(c) Provided Franchisee has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trenching, or of the installation of conduit for the location of utilities, it shall install its cable in such trenching or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. If a substantial quantity of cable is required for a large subdivision and said quantity is not in stock, Franchisee shall be allowed additional time for said installation. The Franchising Authority, or its designee, shall exercise reasonable efforts to have the Planning Board and developers give timely written notice of trenching and underground construction to Franchisee. Developer shall be responsible for the digging and back-filling of all trenches.

(d) The Franchising Authority may request that the Franchisee enter into negotiations to amend this Franchise in order to include mutually agreeable terms and conditions to extend the Cable System to un-served areas of the Town not meeting the density requirements pursuant to Section 3.1 (a) above.

SECTION 3.2 - SUBSCRIBER NETWORK

Franchisee shall maintain a Cable Television System, fully capable of carrying a minimum bandwidth of 750MHz.

SECTION 3.3 - SUBSCRIBER NETWORK CABLE DROPS

(a) Franchisee shall maintain the current level of existing active Drops, Outlets and Basic Cable Service, at no charge to the Town, to each Public Building located along the existing cable route as of the Effective Date, as designated by the Franchising Authority within the Town, listed in **Exhibit A** attached hereto, provided such are considered to be a Standard Installation and absent of other unusual installation conditions and requirements.

(b) Upon written request by the Franchising Authority, Franchisee shall provide one (1) Standard Installation, Drop, Outlet and Basic Cable Service at no charge to any new Public Buildings and other Town owned Public Buildings, along the Distribution Cable subject to the limitations set forth above. The Franchising Authority or its designee shall consult with a representative of Franchisee to determine the appropriate location for each of such Public Building's respective Outlet prior to requesting that Franchisee install the service at no charge.

(c) Nothing in this Section shall require Franchisee to move existing or install additional Drops or Outlets at no charge to those buildings included in **Exhibit A**, or to move existing or install additional Drops or Outlets already installed in buildings pursuant to subsection (b) above.

(d) It is understood that Franchisee shall not be responsible for any internal wiring of such Public Buildings.

SECTION 3.4 - PARENTAL CONTROL CAPABILITY

(a) Pursuant to applicable law, upon request, and at no separate, additional charge, Franchisee shall provide Subscribers with the capability to control the reception of any channel on the Cable System.

(b) The Franchising Authority acknowledges that the parental control capability may be part of a converter box and Franchisee may charge Subscriber for use of said box.

(b) The construction, maintenance and operation of the Cable Television System for which this Renewal Franchise is granted shall be done in conformance with all applicable laws, bylaws/ordinances of general applicability, codes and regulations, including but not limited to OSHA, the National Electrical Safety Code, and the rules and regulations of the FCC as the same exist or as same may be hereafter changed or amended.

(c) Operating and maintenance personnel shall be trained in the use of all safety equipment and the safe operation of vehicles and equipment. Franchisee shall install and maintain its equipment, cable and wires in such a manner as shall not interfere with any installations of the Town or any public utility serving the Town.

(d) All structures and all equipment, cable and wires in, over, under, and upon streets, sidewalks, alleys, and public rights of ways of the Town, wherever situated or located shall at all times be kept and maintained in a safe and suitable condition and in good order and repair.

(e) The signal of any Broadcast station carried on the Cable Television System shall be carried without material degradation in quality at all subscribing locations within the limits imposed by the technical specifications of the Cable System and as set forth by the FCC. The Cable System shall be operated and maintained so as to comply with the technical standards set forth in the FCC's rules and regulations as they apply to cable television systems.

(f) Upon written notice from the Franchising Authority, Franchisee shall remedy a general deficiency with respect to the technical standards described herein within three (3) months of receipt of notice and a safety deficiency within forty-eight (48) hours of receipt of notice and shall notify the Franchising Authority when the deficiency has been corrected.

SECTION 4.2 - CABLE LOCATION

(a) In all areas of the Town where all of the transmission and distribution facilities of all public or municipal utilities are installed underground, Franchisee shall install its Cable System underground provided that such facilities are actually capable of receiving Franchisee's cable and other equipment without technical degradation of the Cable System's signal quality.

(b) In all areas of the Town where public utility lines are aurally placed, if subsequently during the term of Franchisee Renewal such public utility lines are required by local ordinance or State law to be relocated aurally or underground, Franchisee shall similarly relocate its Cable System if it is given reasonable notice and access to the public and municipal utilities facilities at the time that such are placed underground. Any costs incurred by Franchisee for relocating utility poles or trenching for the placement of underground conduits shall be entitled to reimbursement of such relocation costs in the event public or private funds are raised for the project and made available to other users of the Public Way.

(d) Nothing in this Section shall be construed to require Franchisee to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

SECTION 4.3 - REPAIRS AND RESTORATION

Whenever Franchisee takes up or disturbs any pavement, sidewalk or other improvement of any public right of way or public place, the same shall be replaced and the surface restored in as good condition as possible as before entry as soon as practicable. If Franchisee fails to make such restoration within a reasonable time, the Franchising Authority may fix a reasonable time for such restoration and repairs, and shall notify Franchisee in writing of the restoration and repairs required and the time fixed for the performance thereof. Upon failure of Franchisee to comply within the time specified, the Franchising Authority may cause proper restoration and repairs to be made and the expense of such work shall be paid by Franchisee upon written demand by the Franchising Authority. However, prior to such repair or restoration the Town should submit a written estimate to Franchisee of the actual cost of said repair or restoration.

SECTION 4.4 - TREE TRIMMING

Franchisee shall have authority to trim trees upon and overhanging public streets, alleys, sidewalks and ways and places of the Town so as to prevent the branches of such trees from coming in contact with the wires, cables and equipment of Franchisee, in accordance with applicable state law and any Town bylaws/ordinances and regulations.

SECTION 4.5 - BUILDING MOVES

In accordance with applicable laws, Franchisee shall, upon the written request of any person holding a building moving permit issued by the Town, temporarily raise or lower its wires to permit the moving of the building(s). Franchisee shall be given not less than thirty (30) days' advance written notice to arrange for such temporary wire changes. The cost to raise or lower wires shall be borne by the person(s) holding the building move permit.

SECTION 4.6 – PLANT MAPS

Franchisee shall maintain a complete set of plant maps of the Town, which will show those areas in which its facilities exist. The plant maps will be retained at Franchisee’s primary place of business and will be available to the Franchising Authority for inspection by the Franchising Authority upon written request.

SECTION 4.7 - DIG SAFE

Franchisee shall comply with all applicable “dig safe” provisions, pursuant to RSA 374:51 of the New Hampshire Laws.

SECTION 4.8 - DISCONNECTION AND RELOCATION

(a) Franchisee shall, at its sole cost and expense, protect, support, temporarily disconnect, relocate in the same street, or other Public Right of Ways, or remove from any street or any other Public Ways and places, any of its property as required by the Franchising Authority or its designee by reason of traffic conditions, public safety, street construction, change or establishment of street grade, or the construction of any public improvement or structure by any Town department acting in a governmental capacity.

(b) In requiring Franchisee to protect, support, temporarily disconnect, relocate or remove any portion of its property, the Franchising Authority shall treat Franchisee the same as, and require no more of Franchisee, than any other similarly situated utility.

(c) In either case, Franchisee shall have the right to seek reimbursement under any applicable insurance or government program for reimbursement.

SECTION 4.9 – PROHIBITION AGAINST RESELLING OF SERVICE

No Person shall resell, without the express prior written consent of Franchisee, any Cable Service, program or signal transmitted over the Cable System by Franchisee.

SECTION 4.10 - EMERGENCY REMOVAL OF PLANT

(a) If, at any time, in case of fire or disaster in the Town, it shall be necessary in the reasonable judgment of the Franchising Authority to cut or move any of the wires, cable or equipment of the Cable Television System, the Town shall have the right to do so without cost or liability, provided however that, wherever possible, the Franchising Authority gives Franchisee written notice and the ability to relocate wires, cable or other equipment.

(b) In either case, Franchisee shall have the right to seek reimbursement under any applicable insurance or government program for reimbursement. All cable operators or public or municipal utility companies shall be treated alike if reimbursed for such costs by the Town.

SECTION 4.11 – STANDBY POWER

The Cable System shall incorporate equipment capable of providing standby powering of the head end for a minimum of twenty-four (24) hours upon failure of the power furnished by the electric utility company unless for reasons of force majeure.

Neither Franchisee nor its designee nor the Franchising Authority nor its designee shall, without a court order, tap, monitor, arrange for the tapping or monitoring, or permit any person to tap or monitor, any cable, line, signal, input device, or Subscriber Outlet or receiver for any purpose, without the prior written authorization of the affected Subscriber or user, unless otherwise required by applicable law, provided, however, that Franchisee may conduct system-wide or individually addressed "sweeps" solely for the purpose of verifying system integrity, checking for illegal taps, controlling return-path transmission, billing for pay services or monitoring channel usage in a manner not inconsistent with the Cable Act. Franchisee shall report to the affected parties any instances of monitoring or tapping of the Cable Television System, or any part thereof, of which it has knowledge, whether or not such activity has been authorized by Franchisee. Franchisee or its designees shall release the results of upstream responses only in the aggregate and without individual references.

provision that the Franchising Authority will receive thirty (30) days' written notice prior to any cancellation.

(b) Franchisee shall carry insurance against all claims arising out of the operation of motor vehicles and general tort or contract liability in the amount of One Million Dollars (\$1,000,000). Policy will contain a provision that the Franchising Authority will receive thirty (30) days' written notice prior to any cancellation.

(c) All insurance coverage, including Workers' Compensation, shall be maintained throughout the period of this Renewal Franchise. (b) Franchisee shall not reduce the amount or cancel said bond, or materially change the terms of said bond from the provisions of Section 8.3(a) herein without the Franchising

Authority's prior written consent. The Franchising Authority shall not unreasonably withhold its consent.

SECTION 8.4 - REPORTS

Franchisee shall maintain for public inspection all records required by the FCC and as specified in 47 CFR §76.305 in the manner prescribed therein.

SECTION 8.5 - EQUAL EMPLOYMENT OPPORTUNITY

Franchisee is an Equal Opportunity Employer and shall comply with applicable FCC regulations with respect to Equal Employment Opportunities.

SECTION 8.6 - REVOCATION OF FRANCHISE

Upon written notice, the Franchise issued hereunder may, after due process pursuant to opportunity to cure (Section 8.7) and public hearing held by the Franchising Authority, subject to any other rights available to Franchisee, be revoked by the Franchising Authority for any of the following reasons:

- (a) For failure to file and maintain the performance bond as described in Section 8.3 (Performance Bond) or to maintain insurance as described in Section 8.2 (Insurance);
- (b) For repeated failure to maintain signal quality pursuant to the standards provided for by the FCC;
- (c) For any transfer or assignment of the Renewal Franchise without prior notice to the Franchising Authority in violation of Section 8.8 herein; and
- (d) For repeated failure to comply with the material terms and conditions of this Renewal Franchise.

SECTION 8.7 - NOTICE AND OPPORTUNITY TO CURE

In the event that the Franchising Authority has reason to believe that Franchisee has defaulted in the performance of any or several provisions of this Renewal Franchise, except as excused by Force Majeure, the Franchising Authority shall notify Franchisee in writing, by certified mail, of the provision or provisions which the Franchising Authority believes may have been in default and the details relating thereto. Franchisee shall have ninety (90) days from the receipt of such notice to:

(a) respond to the Franchising Authority in writing, contesting the Franchising Authority's assertion of default and providing such information or documentation as may be necessary to support Franchisee's position; or

(b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot be cured within such ninety (90) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. Franchisee shall report to the Franchising Authority, in writing, by certified mail, at forty-five (45) day intervals as to Franchisee's efforts, indicating the steps taken by Franchisee to cure said default and reporting Franchisee's progress until such default is cured.

(c) In the event that (i) Franchisee fails to respond to such notice of default; and/or (ii) Franchisee fails to cure the default or to take reasonable steps to cure the default within the required ninety (90) day period; the Franchising Authority or its designee shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice, by certified mail, to Franchisee. Franchisee shall be provided reasonable opportunity to offer evidence, question witnesses, if any, and be heard at such public hearing.

(d) Within thirty (30) days after said public hearing, the Franchising Authority shall issue a written determination of its findings. In the event that the Franchising Authority determines that Franchisee is in such default, the Franchising Authority may determine to pursue any lawful remedy available to it.

(e) In the event that (i) the Franchising Authority fails to issue a written reply within 30 days accepting or rejecting Franchisees' response pursuant to 8.7(a) above; (ii) the Franchising

Authority fails to issue a written acknowledgement after Franchisee's notice that it cured said default pursuant to 8.7(b) above; and/or (iii) the Franchising Authority fails to schedule a public hearing no later than thirty (30) days of having sent a written notice consistent with Section 8.7(c) above and/or (iv) the Franchising authority fails to issue a written determination with thirty (30) days after the public hearing pursuant to Section 8.7(d) above , then the issue of said default against Franchisee by the Franchising Authority shall be considered null and void.

SECTION 8.8 - TRANSFER OR ASSIGNMENT

This Renewal Franchise shall not be transferred or assigned without the prior written consent of the Franchising Authority, which consent shall not be arbitrarily or unreasonably withheld. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of Franchisee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation. Within thirty (30) days of receiving a request for consent, the Franchising Authority shall, in accordance with FCC rules and regulations, notify Franchisee in writing of the additional information, if any, it requires to determine the legal, financial, and technical qualifications of the transferee or new controlling party. If the Franchising Authority has not taken action on Franchisee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

SECTION 8.9 - REMOVAL OF SYSTEM

Upon termination of this Franchise Renewal or of any renewal hereof by passage of time or otherwise, Franchisee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed

within six (6) months of such termination, the Franchising Authority or property owner may deem any property not removed as having been abandoned.

SECTION 8.10 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of federal, state and local laws, including but not limited to the rules and regulations of the FCC and the State of New Hampshire, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal Franchise to the extent that any provision of this Renewal Franchise conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the State of New Hampshire, the federal government or the FCC require Franchisee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Franchising Authority and Franchisee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.
